Hi Sanjay,

Sandra May said you were the person who would order these medications for me. These are for the emergency boxes that were approved for the CT/MRI areas in the AOP Radiology that Dr. Restauri was working on. Here is the list of medications that we need:

We need enough for 6 boxes and 2 training boxes.

1. EpiPen Auto injectors (2 pack) We will need (6)
2. 1:10,000 Vial of Epinephrine preloaded 10cc syringe for IV administration (6)
3. Ativan (6) 2 mg vials
4. Benadryl (6) 50mg vial IV
5. Albuterol Inhaler with Spacer (6)
6. Hydrocortisone (6) 200mg IV
7. Atropine 1mg in 10cc preloaded syringe (6)
8. TB syringes (6)

If you have any questions please let me know. Thank you so much.

Hello! Where are we with the drug box?

Thanks

NR

Hi Dr. Restauri,  
I need to verify the dosages on the Ativan, Benadryl and Hydrocortisone. Is the Albuterol Inhaler in just one dose?  
Thank you.
